Textiles

*Beautiful things are not perfect
..they are special!*

Specialized in the manufacturing and selling of jacquard classic tuscan textiles in linen and cotton. Our proposals include all kind of linen that is required to furnich your home.

Our production is addressed both to private people willing to renew their interiors and to Hotels Restaurants, Bars, Shops, commercial buildings both in Italy and world-wide.

Our main collections are made of table-clothings, towels, sheets, pillows all made of 50% linen and 50 % cotton and manufactured following tuscan handloom and jacquard tecnic traditions

Our textiles are chosen and shaped by expert tailors.

Tableclothings

As you can see we display a wide range of tableclothings including settings for breakfast, lunch and dinner, kitchen items like aprons, oven-gloves, pot holders and the like. All are made in linen with classic and modern designs.

Bed Clothings

Everybody slips under the sheets every night so why not doing that ..with style!
Play with colors and phantasies to turn your bedroom more attractive. We offer a wide range of itens from eiderdowns to 100% linen sheets with embroideries.

Bathroom Clothings

We offer a wide range of products from bathrobes to different towels with embroideries
